COMMUNITY PARKS AND RECREATION PROGRAM GUIDELINES

COMMUNITY PARKS AND RECREATION PROGRAM GUIDELINES

PROGRAM PURPOSE

The purpose of the City of Duluth Community Parks and Recreation Program is to provide funding for neighborhood-based parks enhancements and recreation services on Duluth's parks, recreation, and trails system. The program is funded by the City of Duluth Parks Fund approved by voters in 2011.

Grants will generally range from \$500 to \$5,000.

The Community Parks and Recreation Program will consider funding requests for parks and recreation equipment, supplies, improvements, and programs.

Grant awards are not intended to provide permanent support for any purpose. Organizations must have the financial potential to sustain a program after funding by the Community Parks and Recreation Program ends.

In order to receive funding, projects must:

- Take place entirely or primarily on existing recognized units of Duluth's parks, recreation, and trails system; and
- Support the mission of Duluth's Parks and Recreation Division to fulfill the essential recreational, educational, cultural, and environmental needs that create a dynamic community.

Priority will be given to projects that support one or more of the following key elements of the Parks and Recreation Master Plan:

- Improve the quality of existing parks (especially neighborhood parks),
- Expand the use of City parks and recreation areas,
- Focus on connecting the community through trails and bikeways,
- Have fewer, but higher quality recreation buildings,
- Enhance stewardship of natural resources,
- Expand partnerships with schools for community recreation and gathering, and
- Increase use and recognition of volunteers and volunteer groups.

ELIGIBILITY

To be eligible to apply for funding, an organization must:

- Be classified as a charitable organization under Section 501 (c)(3) of the Internal Revenue Code or have another 501(c)(3) willing to serve as a fiscal agent for the project, and
- Be primarily located in or provide services to residents within the City of Duluth.
